

Specified Critical Illness Insurance

How will you pay for what your health insurance won't?

Even those of us who plan for the unexpected with life, disability and health insurance may discover that some expenses can still remain unpaid. Without adequate protection, sufferers of critical illnesses might have to pull from their savings or rely on other financial sources in their time of need.

Specified Disease Insurance helps fill the gaps in your health insurance.

With Colonial Life's Specified Critical Illness Insurance, you're paid a benefit that can help you cover:

- Deductibles, co-pays and co-insurance of your health insurance
- Home health care needs and household modifications
- Travel expenses to and from treatment centers
- Lost income
- Rehabilitation
- Child care expenses
- Everyday living expenses

You're free to use the benefit however you choose.

And coverage is available for you and your eligible family members.

This coverage is compatible with a Health Savings Account (HSA)

You may use this coverage in conjunction with a Health Savings Account, allowing even more flexibility when dealing with a serious illness.
