LIMITED BENEFIT HOSPITAL CONFINEMENT INDEMNITY INSURANCE

OUTLINE OF COVERAGE (Applicable to Policy form MB3000-TN)

BENEFITS PROVIDED ARE SUPPLEMENTAL AND NOT INTENDED TO COVER ALL MEDICAL EXPENSES. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE. If you are eligible for Medicare, review the Guide To Health Insurance for People with Medicare available from the company. Premiums vary depending on your level of coverage.

Read your policy carefully. Your outline provides a very brief description of the important features of your policy. This is not an insurance contract and only the actual policy provisions will control. The policy sets forth in detail the rights and obligations of both you and us. It is, therefore, important that you READ YOUR POLICY CAREFULLY.

Renewability. Your policy is guaranteed renewable as long as you pay the premiums when they are due or within the grace period. The premium can be changed only if we change it on all policies of this kind in force in the state where the policy was issued.

Limited Benefit Coverage. Your policy does not provide coverage for basic hospital, basic medical-surgical or major medical expenses.

Benefits

Hospital Confinement Benefit Amount: \$_____ per confinement

We will pay this benefit if any covered person incurs charges for and is confined due to a covered accident or covered sickness. The confinement to a hospital must begin while the policy is in force.

We will pay this benefit once per confinement. If a covered person is confined and is discharged and confined again for the same or related condition within 90 days of discharge, we will treat this later confinement as a continuation of the previous confinement. If more than 90 days have passed between the periods of hospital confinement, we will treat this later confinement as a new and separate confinement.

Wellness Benefit Amount: \$50 per test, one test per calendar year if named insured coverage; two tests per calendar year if named insured and spouse coverage, one-parent family coverage or two-parent family coverage

We will pay this benefit if any covered person incurs charges for and has one of the wellness tests listed below performed while the policy is in force. We will pay the amount shown for one of the following wellness tests:

Rehabilitation Unit Benefit Amount: \$100 per day up to 15 days per confinement with a 30 day maximum per covered person per calendar year

We will pay this benefit if any covered person incurs charges for and is transferred to a rehabilitation unit immediately after a period of hospital confinement due to a covered accident or covered sickness. We will pay the amount shown for each day of confinement in a rehabilitation unit, up to the maximum number of days shown.

Confinement to a rehabilitation unit must begin while the policy is in force.

Waiver of Premium Benefit After you have been confined to a hospital due to a covered accident or covered sickness for more than 30 continuous days while the policy is in force, we will waive the premium for the policy and any attached riders for as long as you remain confined to a hospital or rehabilitation unit.

You must pay all premiums to keep the policy and any attached rider(s) in force until you have been confined to a hospital for more than 30 continuous days and the waiver becomes effective.

You must send us written notice as soon as you are no longer confined to a hospital or rehabilitation unit. We will assume you are no longer confined to a hospital or rehabilitation unit if:

- You do not send us satisfactory proof of loss when we request it; or
- You notify us that you are no longer confined to a hospital or rehabilitation unit.

You must pay all premiums to keep the policy in force beginning with the first premium due after you are no longer confined to a hospital or rehabilitation unit.

The Waiver of Premium Benefit does not apply to any period that you are confined to a hospital or rehabilitation unit due to an accident, sickness or condition which is excluded by name or specific description.

This benefit does not apply to your spouse or to your children. We will waive premiums only if you, the named insured, are confined to a hospital for more than 30 continuous days. However, if this is a named insured and spouse, one-parent family policy or a two-parent family policy, we will waive premiums on all family members insured by the policy.
