

# Trustmark Disability Income Insurance

Protecting your paycheck even when you can't work.

## What would you do without a paycheck?

Your salary is crucial for taking care of yourself and the people who depend on you. But a nasty **injury** or **illness** could leave you **unable to do your job** – and unable to collect an income. Money trouble is the last thing you need when trying to get well. **Disability Income insurance can help.**

When you are disabled<sup>1</sup> and unable to work due to a sickness or off-the-job injury, Disability Income insurance replaces part of your paycheck. It provides a **regular cash benefit** that you can use for all the things your salary typically pays for.

Disability Income insurance **goes to work when you can't**, helping ensure that your life can keep running smoothly even when you are temporarily off your feet.

	Benefits paid
First month of disability following elimination period	\$1,000
Second month of disability	\$1,000
Last 15 days of disability	\$500
<b>Total benefits paid<sup>3</sup></b>	<b>\$2,500</b>

## Additional advantages

- **Benefits paid in full, at the same frequency as your paycheck**, regardless of other coverage. (A monthly payment option is available.)
- **Coverage for time off of work due to pregnancy/childbirth** 10 months after the coverage effective date, or due to complications of pregnancy.
- **Waive your premium payments** if you remain disabled for more than 90 consecutive days during the benefit period.
- **Keep your coverage** at the same price and benefits if you change jobs or retire. Coverage ends at age 72.

## Total disability defined

Disability Income insurance pays benefits for total disability, meaning you are:

- **Unable to work at your job.**
- **Not working** at your current employer.
- **Under a doctor's care** for the injury or covered sickness causing your disability.

## Coverage and elimination periods

Your **coverage period** is the length of time for which you are able to collect benefits. There may be a period after you become disabled before your benefits begin, known as the **elimination period**.

Coverage and eliminations periods **vary by employer**. You may also be able to choose between multiple options. More information on these periods will be available to you at your time of enrollment.

## Pre-existing condition limitation

No benefit will be paid for any condition caused by or resulting from a pre-existing condition.
