

Health Reimbursement Arrangement

Ameriflex

What is an HRA?

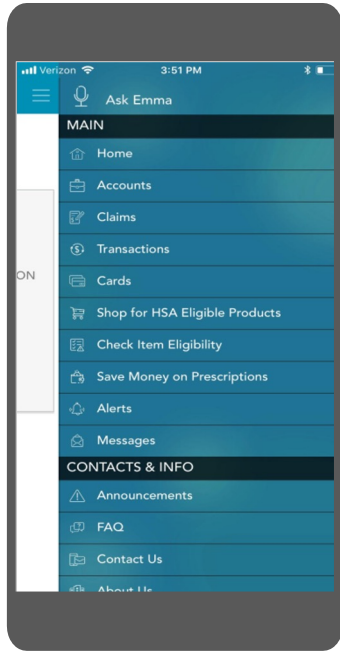

A health reimbursement arrangement (HRA) is funded by your employer to help you pay for pre-determined medical expenses.

Things to note:

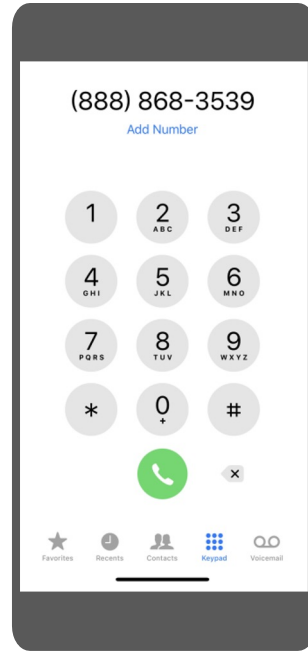

- To be eligible to participate in the HRA, you must be enrolled in your company's sponsored medical plan
- The funds are made available to you at the beginning of the defined plan year
- Since the HRA is employer funded, you as the employee will be required to submit documentation for an expense to identify the expense was allowed and within the employer's parameters
