WHAT DOES IT MEAN TO BE DISABLED?

Disability is defined in The Hartford's certificate with your employer. Typically, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical condition covered by the insurance, and as a result, your current monthly earnings are less than 80% of your pre-disability earnings. Once you have been disabled for 2 years following the elimination period, you must be prevented from performing one or more of the essential duties of any occupation and as a result, your current monthly earnings are less than or equal to 80% of your pre-disability earnings.

Pre-disability earnings are defined in your policy.
