

Elevate Your Healthcare

INTRODUCING

Using First Primary Care to reduce
your Out-Of-Pocket costs

Thanks for
coming

Please scan
and you can
start the FPC
registration
process

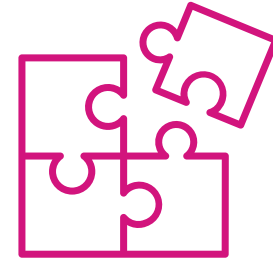

What You Can Expect To See

- ✓ Access to Primary Care is now available whenever you want it
- ✓ Care can be free for all members.
- ✓ Plan costs are significantly lower
- ✓ Most employees will be extremely satisfied
- ✓ Your quarterback for healthcare will be your FPC provider
- ✓ Deductibles, copays and coinsurance are/can be waived
- ✓ You will learn that the most expensive way to pay for healthcare is through your network
- ✓ You still have freedom and choice to see whoever you want

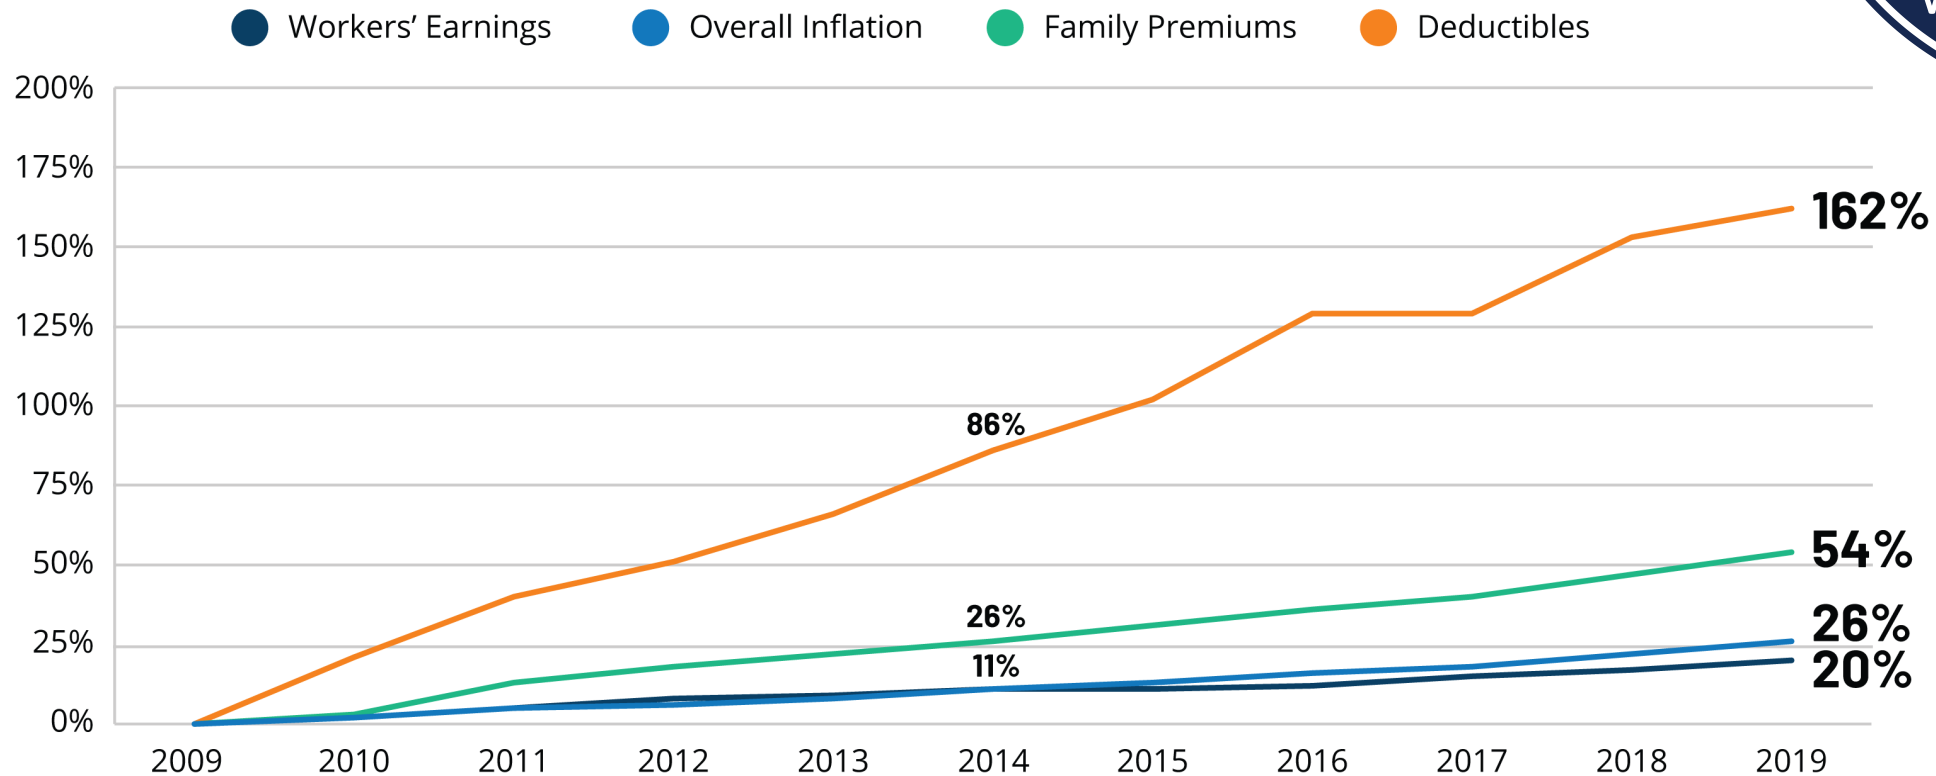

What Are We Solving For?

- We want NO employees in medical debt
- We want your health plan costs to decrease
- We want to provide all employee's superior care

Premiums and Deductibles Rise Faster than Worker's Earnings Over Past Decade

The core issue is the growth in premiums that is forcing employers to share more risk with employees

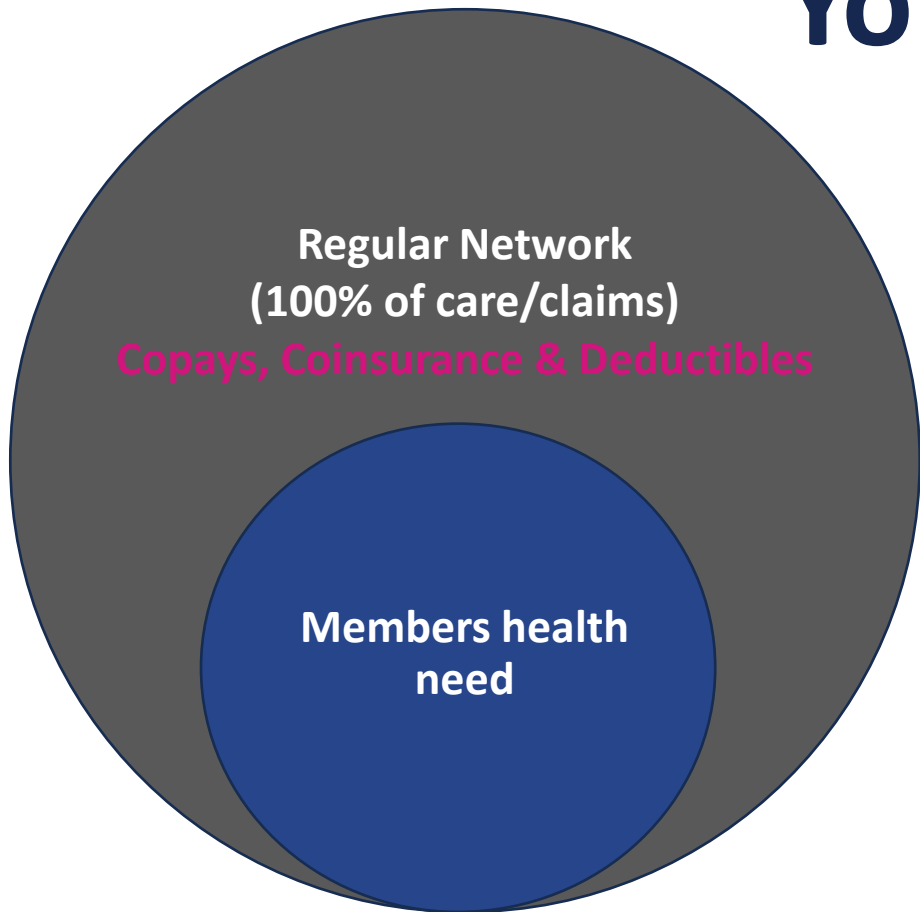

Your OOP costs

Coinsurance	Deductible	Copay
?	\$38,703	>\$8,790

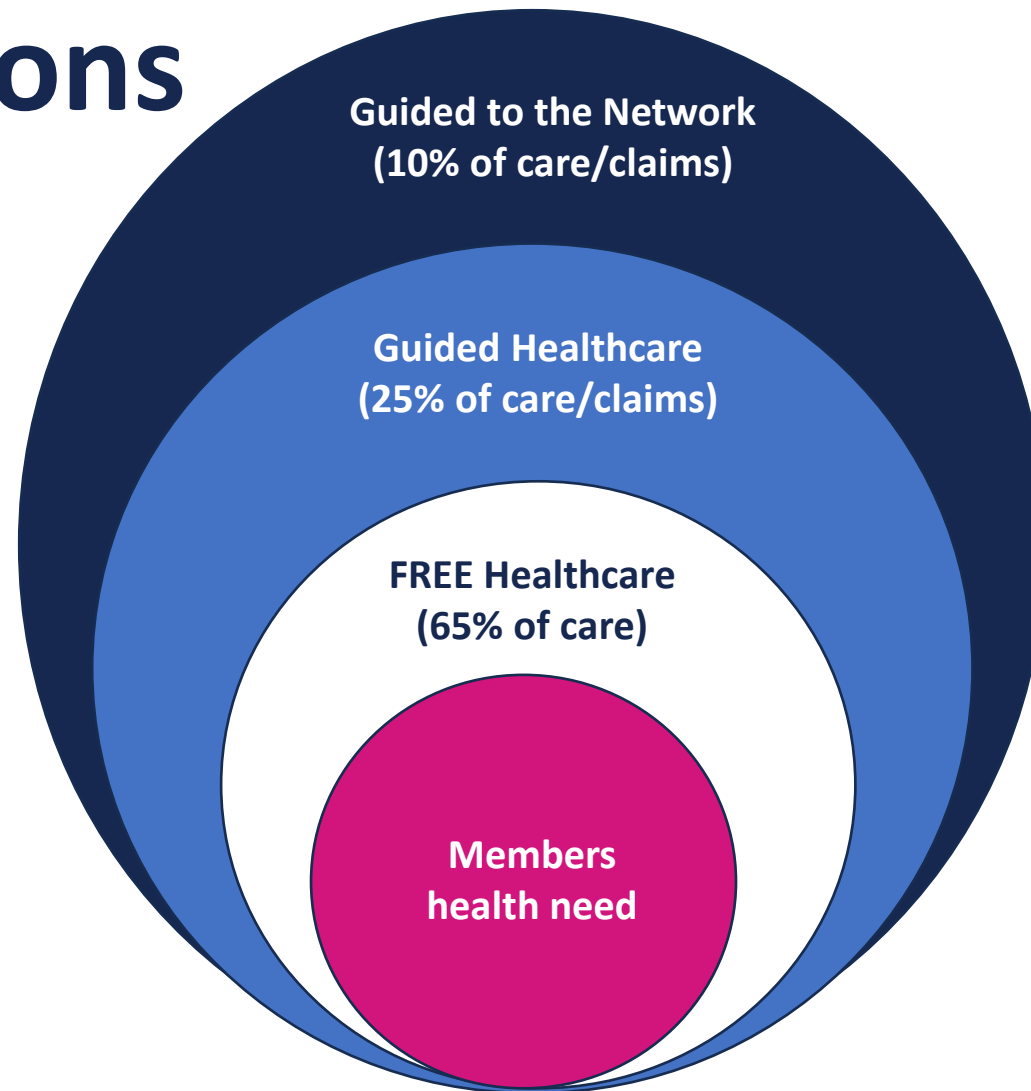

Average:
>\$1,356/Employee

Your Options

You can use the health plan like you always have.

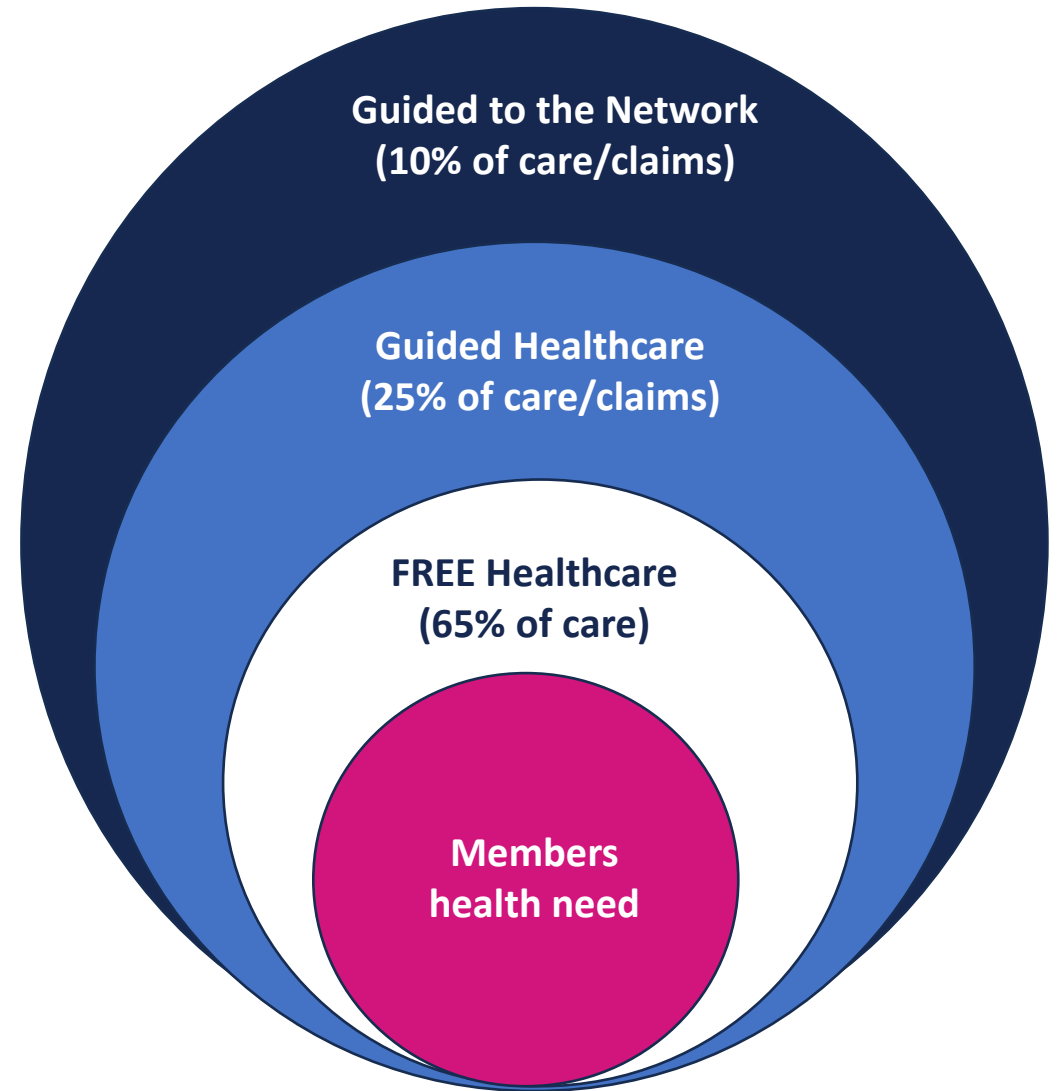

Like previously, you WILL have out of pocket costs to pay

You can reach out to FPC first and have **most of your out-of-pocket costs waived**

How We Lower Your Costs

	Free Healthcare	Guided Healthcare	Guided to the Network
Inclusions in each category	First Primary Care	Imaging	Imaging
	Generic RX program	Specialist Visits	Specialist Visits
	Steerage	Surgery	Surgery
	Care Advocacy	RX (expensive meds)	RX (expensive meds)
	Free Lab Tests	ER/ Urgent Care	ER/ Urgent Care
	Onsite labs/ visits	Outpatient Services	Outpatient Services
	Costs to the plan	\$0	(25-120% of Medicare)

Welcome To First Primary Care.

WHO WE ARE...

- We're the leading provider of premium primary care benefits
- We're the first point of call for your employees and their families when they have to engage the health system.
- Our aim to do all we can to avoid a referral to another health provider
- We provide each employee with a family doctor who they can reach via Secure text, phone/telehealth or in-person with no copays.
- We take the pain out of healthcare to keep the doctor-patient relationship sacred.

Awarded No. 908 on the Inc. 5000 List of Fastest-Growing Private Companies in the U.S.

First Primary Care has proven that they can deliver outstanding care while saving employees and their families thousands of dollars

First Primary Care has been in business for 8 years & works with over 200 employers

Cost- \$0

My child is unconscious

Go straight to the ER

While waiting, open your Spruce app and text your child's doctor

We will send all available health information to the hospital

Cost- \$0

How Members Are Onboarded

Remember, We are always here to help

Email/ SMS On the start date, you will receive an email and/or SMS from First Primary Care to begin the onboarding process for free healthcare. On the First day, every employee can start using First Primary Care

Onsite onboarding- FPC will come onsite 1-2 months after the start date, introduce members to the care team, do initial lab draws, assist with app downloads and registration, set up the first appointments and discuss one on one issues with individuals.

Dependents- We have a digital strategy to engage dependents. We also welcome dependents to participate in any activity run for the employees. **When we or your employer asks for emails and cell numbers of spouses, please provide them.**
