

**NOTICE OF RIGHT TO DESIGNATE PRIMARY CARE PROVIDER AND OF NO OBLIGATION FOR PRE-AUTHORIZATION FOR OB/GYN CARE**

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from our Employee Health Care Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the Employee Health Care Plan at:
