## Copay Assistance Service Drug List

As of January 1, 2025

For customers using the Cigna Healthcare<sup>SM</sup> National Preferred Formulary Drug List

This is a list of the specialty medications that are eligible for the copay assistance service SaveOnSP administrators.<sup>1</sup> Some medications need approval (prior authorization) from Cigna Healthcare<sup>SM</sup> before your plan will cover them. **If you use this service, you'll pay as little as \$0 for your medication.** You'll need to complete the manufacturer copay assistance program's enrollment process, and you'll have to let SaveOnSP review your specialty medication claims on an ongoing basis.<sup>2</sup> **If you choose not to use this service** (or not let SaveOnSP review your claims), you'll pay a 30% coinsurance to fill your medication unless noted otherwise.
