We will not apply a new Waiting Period.

*Injury or Sickness*

You will be covered for up to 3 months from the date your absence due to an Injury or Sickness begins, provided premium is paid.

We will provide coverage for a Payable Claim that occurs while you are covered under this certificate.

**Filing a Claim**

We encourage early notification of a claim for benefits under this certificate so that a claim decision can be made in a timely manner. If there are any questions on how to file a claim, please contact us or your Employer.

*Step 1 - Starting a Claim*

Notice of a claim may be provided in Writing, online at: [services.unum.com](https://services.unum.com), or by contacting us directly at 1-800-858-6843. Notice of a claim should be provided within 20 days from the date of the Covered Loss, or as soon as reasonably possible.

*Step 2 - Claim Forms*

After receiving notice of a claim, we will send a claim form to you or your authorized representative within 15 days from the date we receive the notice of a claim. Claim forms may also be available from your Employer or from us online at: [services.unum.com](https://services.unum.com).

When you or your authorized representative receive the claim form, you or your authorized representative must fill out your own section of the claim form and provide the Insured's Physician with the applicable section of the claim form. The Insured's Physician should complete their section of the form and send it directly to us.

If you or your authorized representative do not receive a claim form from us within 15 days after we receive notice of a claim, a Written statement from you or your authorized representative as to the nature and extent of the Covered Loss will be deemed Proof of Loss, if sent to us within the time limit stated in the Proof of Loss section below.

Completed claim forms may be sent to us by mail or fax:

Mailing Address: The Benefits Center  
P.O. Box 100158  
Columbia, South Carolina 29202-3158  
Fax: 1-800-447-2498

*Step 3 - Proof of Loss*

Proof of Loss must be sent to us no later than 120 days after the date of Covered Loss. If Proof of Loss is not sent to us within this time period, it will not affect a Payable Claim if it is provided as soon as reasonably possible.

Proof of Loss, provided at your or your authorized representative's expense, must establish the nature and extent of the Covered Loss and should include but not be limited to the following:

- a Physician's bill;
- a Hospital bill; or
- other proof of charges or services; and
- in the case of death, a certified copy of the death certificate, or other lawful evidence providing equivalent information.

If the Proof of Loss is not complete, we will request additional information.

**Authorization for Release of Information**

We may request Written authorization from an Insured. This authorization may be required in order for us to obtain the necessary medical information needed for Proof of Loss. Failure to provide us with Written authorization may result in the denial of a claim if the Insured does not send proof to us and we are not able to obtain the proof that is required to make a claim decision.

**Claim Procedures**

After the Insured has satisfied the requirements under Filing a Claim, we will process and evaluate the information to determine if a claim is payable. We will notify the Insured of a claim decision and issue payment for a Payable Claim within 45 days. Benefits will be paid in accordance with the Payment of Benefits provision.

If we determine additional time is needed to review a claim, we may extend this time period by 30 days. We will notify the Insured of the circumstances requiring a review extension and when we anticipate making a claim decision.

If a claim for benefits under this certificate is wholly or partially denied, we will provide notice of our decision in Writing. The notice will contain the following information:

- the specific reason(s) for the determination with reference to those provisions on which the decision is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary;
- procedures and time limits for appealing our decision, and the Insured's right to obtain information about those procedures;
- a statement describing the right to bring a lawsuit under Section 502(a) of ERISA following a claim determination; and
- a statement disclosing any internal rule, guidelines, protocol, or similar criteria used in making the decision (or a statement that such information will be provided free of charge upon request).

### **Payment of Benefits**

Benefits for which we are liable will be paid after we complete the Claim Procedures. All benefits will be paid to you, unless we receive Written authorization to pay them elsewhere. This is an assignment of benefits.

In the event of your death, any unpaid benefits will be paid to your beneficiary in accordance with the Beneficiary Designation and Change provision.

In the event of your Spouse's death, should your Spouse have survived you and continued coverage, any unpaid benefits for your Spouse, will be paid to your surviving Spouse's beneficiary in accordance with the Beneficiary Designation and Change provision.

### **Beneficiary Designation and Change**

When a person becomes insured under this certificate, the Insured is responsible for designating a beneficiary in Writing for any benefits due in the event of the your death. It is important to list the full name of each beneficiary and that all beneficiary designations are kept current and provided to us and the Employer. A beneficiary designation form may be available from the Employer or from us online at: [services.unum.com](https://services.unum.com).

You are the Beneficiary for any Insured under this certificate while you are still living unless there is a valid change in beneficiary designation by an Insured. If an Insured wishes to change their beneficiary designation, they may do so by sending us or the Employer a completed, dated, and signed beneficiary designation change form. Changes in beneficiary designations will take effect on the date notice of the beneficiary designation is signed by the Insured.

The right to change a beneficiary is reserved to you and the consent of the beneficiary or beneficiaries shall not be requisite to change of beneficiary or beneficiaries, or to any other changes in the policy or certificate.

Payment of Benefits will be administered based upon the currently available beneficiary designation on file with us or the Employer. If we have taken any action or made any payment before receiving notice of a beneficiary designation, that beneficiary designation will not go into effect for those actions taken or payments made.

If more than one beneficiary is named and the order or share of payments is not designated, the beneficiaries will share equally. The share of a beneficiary who dies before an Insured, the share of a beneficiary who is legally unable to receive benefits, or the share of benefits that are unallocated will pass to any surviving beneficiaries in proportion to their current allocations. The aggregated shares of benefits in excess of 100% will be deducted from surviving beneficiaries in proportion to their current allocations.

If a beneficiary is not named, or if all named beneficiaries do not survive the Insured, or the named beneficiary is legally unable to receive benefits, any benefits due will be paid to the first surviving family member in the order that follows:

- you;
- the Insured's Spouse;

## Claim Provisions

- the Insured's natural offspring and legally adopted children in equal shares;
- the Insured's mother or father in equal shares, if paying both; or
- the Insured's sisters and brothers in equal shares.

Instead of making a payment to a surviving family member, we have the right to pay any benefits due to the Insured's estate. If there are no surviving family members, any benefits due will be paid to the Insured's estate.

In the event of your death, should your Spouse survive you and elect to continue coverage under Portability of Hospital Indemnity Insurance, your surviving Spouse should name a beneficiary according to the requirements specified within this provision.

### **Payments to a Minor or Incompetent Insured or Insured's Beneficiary**

If an Insured or an Insured's beneficiary is a minor or is incompetent, we can pay up to \$2,000 to the person or institution that appears to have assumed the custody and main support of the Insured, the minor, or the Insured's beneficiary unless or until that Insured, the minor, or the Insured's beneficiary's appointed legal representative makes a formal claim. If we pay benefits to such person or institution, we will not have to pay those benefits again.

### **Overpayment of Claims**

We have the right to recover any overpayments due to:

- fraud;
- Misstatement of Information; or
- any error we make in processing a claim.

We must be reimbursed in full. If it is not possible for you to reimburse us in a lump sum payment, we will develop a reasonable method of repayment. This may include reducing or withholding future payments.

We will not recover more money than the amount we paid you.

### **Unpaid Premium**

Any Unpaid Premium due for an Insured's coverage at the time of payment for a claim may be deducted from the Insured's claim payment.

### **Legal Actions**

The time limit on Legal Actions for a Covered Loss is subject to applicable law in the state where the Policy was issued.

If you or your authorized representative disagree with our decision, you or your authorized representative can start Legal Action regarding your claim 60 days after Proof of Loss has been given to us and up to two years from the latest of when:

- original Proof of Loss was first required to have been given to us;
- your claim was denied; or
- your benefits were terminated,

unless otherwise provided under federal law.

### **Your Rights Under ERISA**

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

#### Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon Written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

#### Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

#### Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated

against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

#### Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
